FOR PROPER INSTALLATION:

Follow **STEP BY STEP** the sheet provided in the drawer.

Figure No.1

NOTE:

Please refer to Figure No.1 so you can locate where the back holdown support pin must be placed.

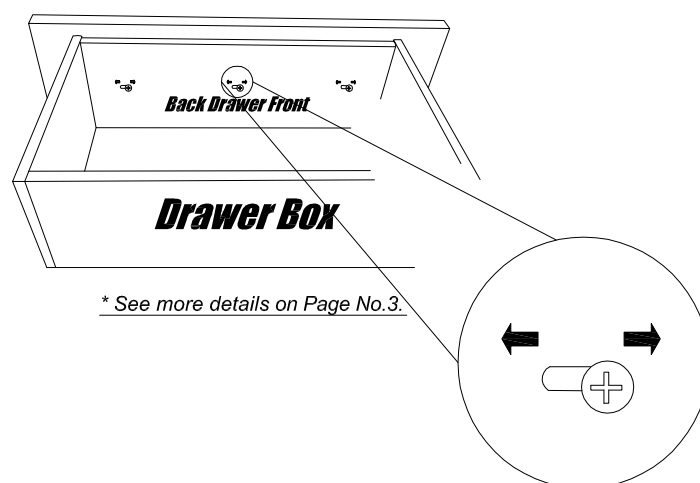

DRAWER FRONT ALIGNMENT:

If your **DRAWER FRONT** does not close properly, there is an adjustment inside the drawer box on the back portion of you **DRAWER FRONT**.

Loosen the middle knob at the center of the front and adjust left or right to line up the drawer front.

(REFER TO PAGE 3)

* See more details on Page No.3.

FOR PROPER INSTALLATION:

Follow **STEP BY STEP** the sheet provided in the drawer.

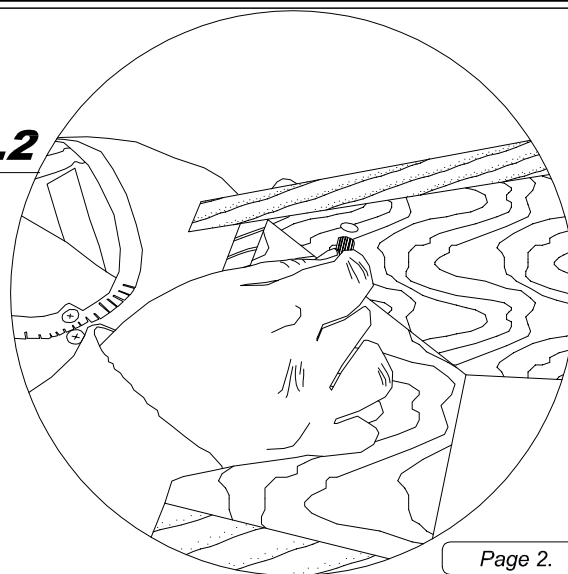

Figure No.2

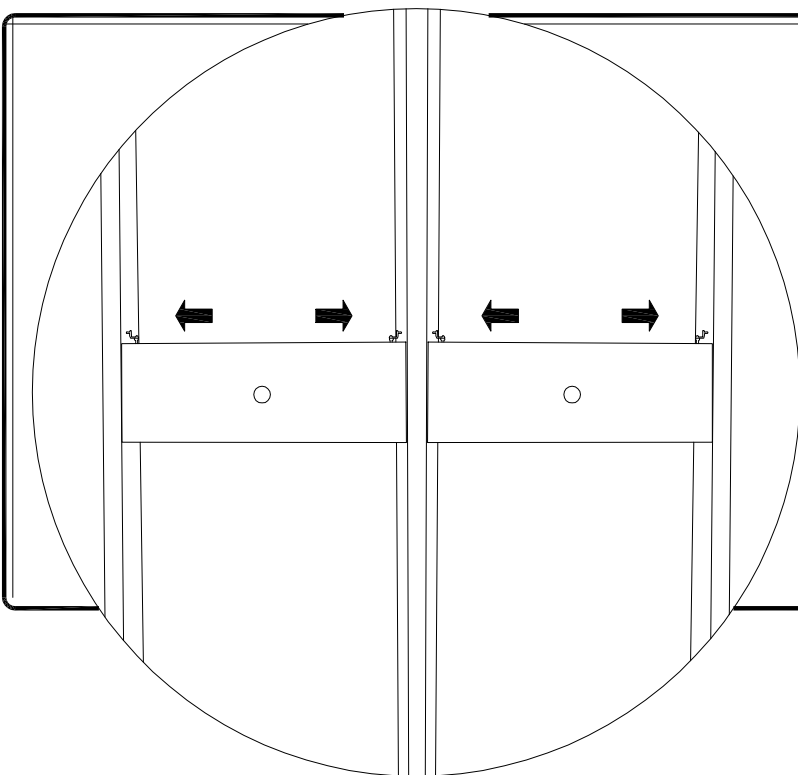

NOTE:

Please refer to Figure No.2 so you can locate where the dowel pins must be placed.

IMPORTANT:

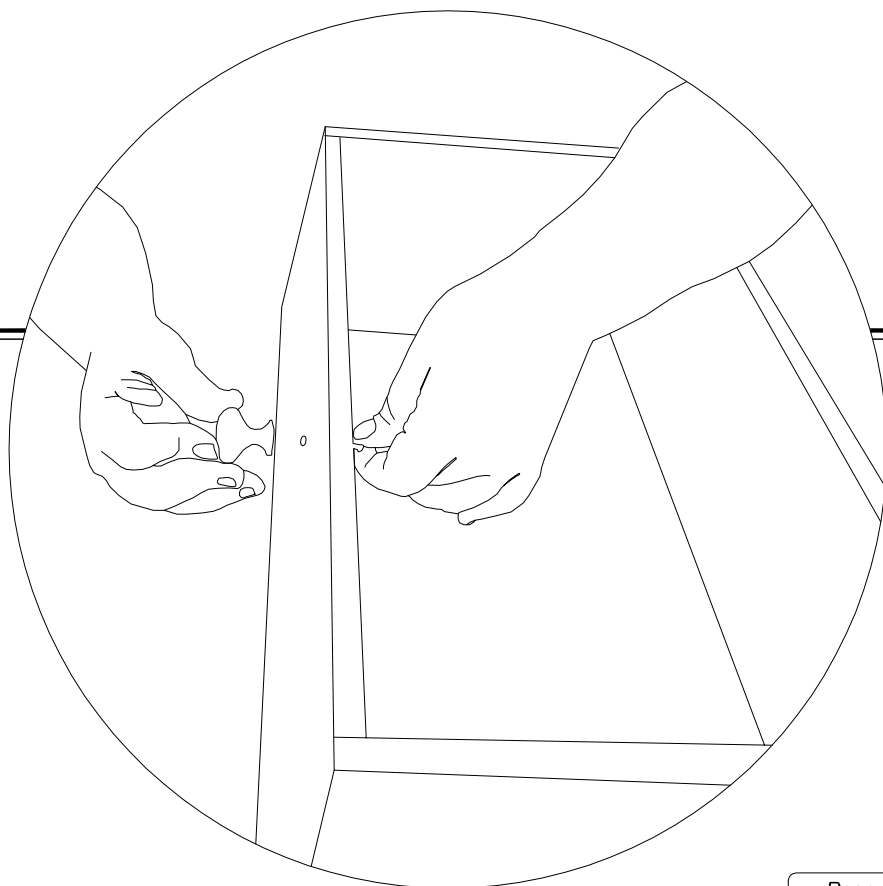

Dear Customer, please make sure the two dowels are inserted completely in to the holes to prevent the **DRAWER FRONT** from coming out.

DRAWER FRONT
ALIGNMENT:

Loosen middle knob screw and move to adjust left or right to line up your drawer front correctly.

DRAWER
FRONT
ADJUSTMENT:

Loosen the knob as shown in the figure.
